

A diagram showing three horizontal lines representing different levels of a system. The top line is labeled with Greek letters Δ , Γ , and Γ . The middle line is labeled with κ , ϵ , Σ , and τ . The bottom line is labeled with η . A vertical line on the left is labeled with Δ .

Δ^οτρίε

Δ^οτρίΔ.

A hand-drawn diagram on a piece of paper. It features three horizontal lines. The top line has points labeled Δ , B , and Σ from left to right. The middle line has points labeled Γ , E , and Δ from left to right. The bottom line has points labeled Γ , λ , and $\lambda\lambda$ from left to right. To the left of these lines is a vertical line with arrows at both ends, labeled H next to it.

ἄπο μὲν τῶν ἀποστόλων ἐλάττωσι γινώσκονται. ἔ; οὐ μὲν γὰρ οὐ μὲν
